

POWER RAKES

Engine

Engine Manufacturer: Vanguard

Engine Size: 169 cc

Horsepower: 5.5 HP

General

Working Width: 20 in.

Size: (LxW): 45.5 in. x 26.5 in.

Weight: 161 lb(73 Kg)

The PR550 efficiently removes matted thatch from turf in 20" passes, and its rugged design withstands the most demanding use. Because the rotation is down sweep, the flails propel the PR forward, making it self-propelled and reducing fatigue. Additionally, because it weighs slightly more than other power rakes on the market, with steel guards, heavier wheels, premium bearings, and a 10-gauge steel engine base, the PR absorbs much of the vibration before it is transferred to the handle, which improves operator comfort and handling.

- Heavy-Duty Wheels: Steel rim and roller bearings stand up to the most demanding customers and applications.
- Premium Steel Pulleys, Easy to Adjust Idler & Easy to Change Belt: Contribute to simple service and long life. Protected by a steel guard.
- PR550 H / PR 551 V, No Thread, No Bolt Foldable Handles: Great for storage, transport and long life.
- Premium Inside Mounted Engagement Bale
- PR550 H / PR 551 V, Infinite Heavy-Duty Depth Adjustment: Save on blade wear when compared to preset adjustments that may promote premature flail wear.
- PR Flail Reel: Standard on PR. Heat treated and tempered blades stand up to heavy use. PN 350112.
- Cast Iron Pillow Block Bearings with Grease Zerks: Provide longer life vs. plastic

Model	Engine	Depth	Reel	Productivity	Weight	Length	Width
PR 551V	169cc Vanguard	.1.25"-1.5 (0.3cm-1.3cm)	20" Flail (51cm)	13200 sq.ft/hr	161 ib(73 Kg)	45.5" (116 cm)	26.5" (67 cm)
PR 550 H	162 cc Honda	.1.25"-1.5 (0.3cm-1.3cm)	20" Flail (51cm)	13200 sq.ft/hr	158 ib(71.6 Kg)	45.5" (116 cm)	26.5" (67 cm)

CR550HC & CR551V FEATURES / BENEFITS / ACCESSORIES

Flail reel is standard on CR. Perfect for accumulated thatch to 1/2 inch (1.3 cm) or more. Helps restore healthy growth of turf. (Part No. 350241)

Infinite, heavy-duty depth adjustments save on blade wear when compared to preset adjustments that may promote premature flail wear.

Construction grade cast iron bearings Standard on PR550H and PR551V.

PR550H & PR551V FEATURES / BENEFITS / ACCESSORIES

Fold-n-Go™ no tool, no bolt foldable handle with inside bail and padded handles. Great for comfort, storage, transport and long life.

Infinite, heavy-duty depth adjustments save on blade wear when compared to preset adjustments that may promote premature flail wear.

Premium pulleys, easy to adjust idler, and easy to change belt contribute to simple service and long life. Protected by a steel guard.

Flail reel is standard on PR. Heat treated and tempered blades stand up to heavy use. Reversible after one side wears. (Part No. 350112-S)

Optional spring tine reel efficiently removes thatch with a softer touch where sprinkler heads or other objects may be a concern. Can be ordered standard with PR. See note under specs on prior page. (Part No. 350355-S)

Optional verticiling reel is perfect for overseeding and thinning running grasses. Can be ordered standard on a PR and CR. See notes ** under specs on prior page. (Part No. 350602 for PR and Part No. 350252 for CR)
