

POWER GARDEN CHIPPER VAC CSV206

Rover CSV206 Outdoor Vacuum including Chipper

The Rover CSV206 is an incredibly versatile piece of kit.

It will be a great addition to equipment fleet around residential properties, schools, lifestyle blocks or commercial properties, motels etc.

A vacuum AND a chipper in one with the advantage of self drive gear box drive also included.

Ideal for domestic vacuuming of lawn and garden debris, plus large quantities of leaves and rubbish around the yard, pool, drive or patio/deck.

Great for chipping garden debris up to 75mm.
